cold drinks

# Turkish Latte

Put one scoop of Turkish coffee and one cup of water into the Hatir Barista coffee pot and press the Turkish Latte button.

When the coffee maker beeps to signal that brewing is complete, pour the coffee into the Hatir Barista dripper. As the coffee filters through the dripper, add 120ml (two Turkish coffee cups) of milk into the Hatir Barista coffee pot and press the Warm Milk button. When the coffee maker beeps to signal that the milk is ready, use the milk frother to froth the milk for 12 to 20 seconds. Pour the frothed milk into the filtered coffee.
